About Me

With over 8 years of experience in the web and digital transformation industry, I bring a multidisciplinary perspective that bridges technology, quality, and business outcomes. My background spans Quality Assurance, CMS Management, Web Development, and Product Ownership — allowing me to see the full lifecycle of digital products from concept to delivery and beyond.

Education

- MSc Computer Systems and Networks
Azerbaijan Technical University
2014 - 2016

Experience

- Product Owner**
Axalta 2025 Feb - 2026 May
Led AEM CMS delivery by managing backlog, roadmap, and releases in Agile teams. Bridged stakeholders and developers, delivered features, and improved UX, quality, and performance through continuous optimization.
- AEM QA Specialist**
Samsung SDS 2023 Aug - 2024 Aug
Executed manual and automated testing for AEM components and APIs, improving coverage and release quality. Managed test cases, defects, and QA documentation, while driving automation, process improvements, and team training.
- Junior QA Engineer**
ERGO Technology & Services 2022 Feb - 2023 Feb
Achieved full Jira Xray test coverage for insurance calculators through manual testing, ensuring accurate, reliable, defect-free releases. Supported QA by executing tests, reporting defects, and collaborating with developers to improve quality and stability.
- AEM Content Manager**
ERGO Technology & Services 2020 Nov - 2022 Jan
Led AEM content strategy and governance, managing lifecycle and publishing workflows for consistent, scalable delivery. Improved UX, SEO, and efficiency by guiding cross-functional teams and standardizing content processes.
- Content Editor**
Nitro 2018 Feb - 2020 Mar
Content workload management on AEM/Drupal/WordPress
- Project Specialist**
Accenture 2017 Jan - 2018 Jan
Content workload management on AEM
- Web Developer**
Freelance 2018 - Present
Handled freelance web development, including site maintenance, updates, hosting, publishing, and domain management.
